## Message From FACC President

According to the Old Farmer's Almanac, spring 2022 begins on Sunday, March 20th, marking the spring equinox and the astronomical first day of spring around the Northern Hemisphere. After March 20th, the Northern Hemisphere begins to tilt more toward the sun, thus resulting in increasing daylight hours and warmer temperatures. It is opposite in the Southern Hemisphere, where March will mark the start of autumn and begins to tilt away from the sun.

Easter day will always occur on the first Sunday after the first moon that occurs after the vernal equinox, which also signifies the beginning of spring in the Northern Hemisphere.

With the above in mind, I wish each of you a beautiful Easter with your family and friends, plenty of candy and the beauty of spring all around you. May your basket of flowers be full, your chocolate be sweet and your blessings be many.

Happy Easter and Happy Spring!

***"Never Stop Learning"***

**Sincerely,  
Stacey Johnston, MMC  
2021-2022 FACC President  
City Clerk, City of Holmes Beach**
