Member Highlight

We will be highlighting a different member each week to share "what it means to be a member of FACC" for that person.

Today, enjoy reading about Town Clerk Trevor Douthat from the Town of Dundee.

Being a member of the FACC means that I have become a part of an amazing community of professionals who are dedicated to public service and supporting one another. My career in municipal government started in 2007 as a Customer Service Clerk with the

City of Fort Meade. A year later, I was promoted to Billing & Customer Service Supervisor.
