CRITERIA:

- **Applicant must be a full time appointed or elected municipal clerk, deputy clerk, clerk of council, or person in a position performing the duties commensurate to duties performed by a municipal clerk in any city in the State of Florida and have a minimum of three-years service completed prior to January 30.**
- Applicant must have requested their municipality to underwrite the expenses of attending the IIMC Annual Conference. The scholarship is awarded by reimbursing the expenses after attending. A letter outlining that the municipality understands this, must be attached to the application. If the applicant is underwriting the attendance, then that should be explained as well.
- Applicant must be a member and in good standing of the IIMC and the FACC for a period of not less than three years.
- Applicant must present evidence attached to the application that their municipality or government body supports their attendance at the IIMC Annual Conference in the event the scholarship is awarded.
- Applicant must provide a written sponsorship from a fellow certified municipal clerk or a master municipal clerk.
- Any awarded funds are to be used solely for the purpose of expenses incurred to attend the conference. The total scholarship shall not exceed \$700.00 per individual. More than one scholarship may be awarded based on the number of qualified applicants and available funds.
- Applicant must provide documentation of their participation and/or attendance at FACC webinars, academies, FACC committees, etc. over the past one-year period.
- Applicant must have already attained their CMC or MMC.
- Scholarships shall not be awarded to any one individual more than once in a three-year period.
- Scholarships are only good for the year in which they were awarded and are non-transferable.
- Submit your application by January 30 to the FACC Administrative Office facc@flcities.com.
- Applications are reviewed by the Awards/Scholarships Committee and a recommendation is given at the February Board Meeting for approval. All applicants will be notified in writing of award and non-award by the Awards/Scholarship Chair.
- Within 30 days after applicant attends the IIMC Annual Conference, they are to submit copies of their receipts to the FACC Executive Director's Office (via email preferred).
- A check, for the appropriate amount, will be mailed to your municipality. The cost of the conference will be deducted first, and then the balance will be applied toward remaining expenses. If the applicant bore the expenses on their own, they will need to explain that in writing so that a check is made payable to them.
- Should an applicant find they cannot attend the IIMC Annual Conference after being awarded, they must notify the Scholarship Chair immediately so that every effort is made to award the funds to the next appropriate applicant, with the FACC Board's approval.

Current FACC President, or incoming FACC President, is ineligible to receive any FACC Scholarship during their term of office.

Members, including the Chair of the Awards/Scholarship Committee, are ineligible to be a recipient of any scholarships during their tenure on the Committee.
