50th Anniversary Resolution/Proclamation

As we continue to celebrate FACC's 50th anniversary, please ask your municipal council or commission to adopt a resolution or proclamation celebrating our anniversary. Having this information before your council/commission for consideration will provide education regarding FACC for your elected officials, as well as the citizens of your municipality. And, it will help continue the celebration of our 50th year. We are all very proud of our

professional association and the enrichment our membership provides for our daily lives; let's celebrate that and help our municipal officials understand the importance of this membership to our offices through continuing professional development.
