From Our Partners

The Florida Division of Emergency Management is pleased to announce the 4th Annual Emergency Management Day at the Capitol will be held February 6 – 7, 2024. Mark these dates on your calendar! The event will mirror this past year’s event, with February 6 serving as a “travel day,” with an optional welcome reception occurring that evening. The formal event will occur on February 7 beginning in the morning and ending with an evening reception. The Division is currently working to finalize the details, including a hotel room block for attendees. A formal agenda will be released in the coming months.
