Highlight

We will be highlighting a different member each week to share "what it means to be a member of FACC" for that person.

Today, enjoy reading about **Denise Aldridge, City Clerk, City of Orlando.**

I am a proud Orlando native. I earned my Bachelor of Science in Business Administration from the University of Central Florida and Master of Business Administration from the University of Phoenix.

Over the course of my career with the City of Orlando, I have worked in a variety of roles from my first job as an environmental control staff assistant to parks assistant division manager to health services financial manager in human resources and, most recently, as workday administrator in the Office of Business and Financial Services.
