Book: "Toto's Reflections: The Leadership Lessons from the Wizard of Oz"
by Kevin Fickenscher

In The Wizard of Oz, Dorothy's Toto was clearly a dog of character. He knew when to sit still, when to bark, and when to make a fuss. He was simply a real dog with real observations about real situations. Join our Athenian Dialogue as we read Toto's thoughts on the Leadership Lessons from The Wizard of Oz like brainpower, heart, and courage. The many lessons of Oz will captivate your imagination and, no doubt, serve as a guide in your quest to become a better leader!
