About The Artist: Rudy Drapiza was born into a family of great talent; his grandfather, father, uncles and many cousins were artists in his home country of the Philippines. The family opened an art school and have been very successful as portrait and landscape artists. After moving to Florida, Drapiza transitioned into painting large-scale mural paintings in Mt. Dora, Clermont, Winter Garden and other Central Florida points of interest. His love of beauty reflected in nature is a common theme in his works of art.
