

Legislative Committee

Committee Responsibilities

Source: Florida Association of City Clerks committee page (captured February 17, 2026).

- Monitor the Florida Legislature and inform the Board of Directors and FACC membership of pending legislation.
- With approval of the FACC Board of Directors, the committee may initiate and introduce legislation to the State Legislature.
- With approval of the FACC Board of Directors, the committee can establish a network to assist in promoting, sponsoring, and/or refuting proposed legislation pending and/or to be presented to the State Legislature.
