FLORIDA ASSOCIATION OF CITY CLERKS
FACC Summer Conference and Academy Scholarship Application

CRITERIA:

- **Applicant must be a full-time appointed or elected municipal clerk, deputy clerk, clerk of council or person in a position performing the duties commensurate to duties performed by a municipal clerk in any city in the State of Florida and have at least one year of service completed prior to January 31.**
- Applicant must have requested their municipality to underwrite the expenses of attending the Summer Conference and Academy. The scholarship is awarded by reimbursing the expenses after attending. A letter outlining that the municipality understands this must be attached to the application. If the applicant is underwriting the attendance, then that should be explained as well.
- Applicant must be a member and in good standing of the FACC.
- Applicant must present evidence attached to the application that their municipality or governing body supports their attendance at the Summer Conference and Academy in the event the scholarship is awarded.
- Any funds awarded are to be used solely for the purpose of expenses incurred to attend the Summer Conference and Academy. The total scholarship shall not exceed $450.00 per individual. More than one scholarship may be awarded, based on the number of qualified applicants and available funds and preferably one from each district: North, Central and South Florida.
- **Applicant must be actively pursuing the CMC or MMC designation. CMCs and MMCs are encouraged to apply.**
- First-time attendees of the Summer Conference and Academy will receive an additional 5 points toward their scholarship application score.
- Scholarships shall not be awarded to any one individual more than once every three years.
- Scholarships are only good for the year in which they were awarded and are non-transferable.
- Submit your application by January 31 to the FACC Administrative Office facc@flcities.com.
- Applications are reviewed by the Awards & Scholarships Committee, and a recommendation is given at the February Board Meeting for approval. All applicants will be notified in writing of award and non-award by the Awards & Scholarship Chair.
- Within 30 days after applicant attends the Summer Conference and Academy, they are to submit copies of their receipts to the FACC Executive Director's Office (via email preferred).
- A check, for the appropriate amount, will be mailed to your municipality. The cost of the Summer Conference and Academy will be deducted first, and then the balance will be applied toward remaining expenses. If the applicant bores the expenses on their own, they will need to explain that in writing so that a check is made payable to them.
- Should an applicant find they cannot attend the Summer Conference and Academy after being awarded, they must notify the Scholarship Chair immediately so that every effort is made to award the funds to the next appropriate applicant, with the FACC Board's approval.

Current FACC President, or incoming FACC President, is ineligible to receive any FACC Scholarship during their term of office.
